

REMARKS

Amendments to the specification are made to comply with the requirement under 37 C.F.R. §1.821(c) and (d) that each sequence disclosed be assigned a sequence identifier beginning with 1 and increasing sequentially by integers. In particular, in order to comply with 37 C.F.R. §1.821(c) and (d) "SEQ ID NO:33"- "SEQ ID NO:41" were renumbered to "SEQ ID NO:34"- "SEQ ID NO:42) to correct the typographical error of assigning two sequence identifiers the same number, "SEQ ID NO:33."

It is submitted that the amendments are supported by the application as-filed and no new matter has been added. Entry of the amendments is respectfully requested.

Respectfully submitted,

Andrew Gibbs
